

# Colour Renovation: New Colour Collections

At Stampin' Up!®, colour is part of our identity. It's fundamental to your ability to create and be creative. That also means that it's important for you to be able to stay up-to-date with the trends in colour to keep both your artwork and your business fresh and exciting. That's why we've worked to present you with the Colour Renovation—a refreshing, updated colour palette!

The new colour collections combine current colours with previous In Colors, and five new colours. These luscious collections give you new and vibrant choices, keeping your papercrafting passion original and exciting. Mix and match for your favorite combinations, and make the Colour Renovation work for you!
